

Maths Events

- **Techniquest.**

All pupils in the school had the chance to use problem solving tasks and games on loan from Techniquest on the 17th and 18th February 2011. These ranged from stacking spheres to building 3D shapes and trying to get a number of cuboids to fit inside a box. Much fun was had by pupils and staff alike and all enjoyed the challenge.

- **Shop 'til you drop**

Key Stage 3 pupils organised a table top sale of all their unwanted books, CDs, DVDs and games. This event took place on April 6th 2011. All pupils will had the opportunity to use money to buy things in the sale
