Providing a dynamic approach to Post 16 Education

## Welcome Croeso

We hope that you have had a good weekend. The Leavers have lots planned this week. For example:-

- On Tuesday the whole class will be attending the sports centre, some members will be swimming (those students who are swimming know who they are!) and some members taking part in team games.
- On Wednesday students will be taking part in a belly dancing lesson with Maria Carol and a tap demonstration from James.
- Well done to the café crew who did a online food shop, having their supplies delivered to school- Well Done!!!!

### Princes Trust

Many of the Leavers are involved with the Princes Trust XL club. In conjunction with the WRU the students will be receiving rugby lessons accumulating in a visit to the Millennium Stadium in March.

# The Leavers

Providing a dynamic approach to Post 16 Education

Can all food skills money please be paid by the end of the week. (£6.00)

## ***Some dates for your diary***

There will be a new 5x60 / E3 course starting in manicure on Thursday 3<sup>rd</sup> February from 3-5.30 p.m.

We will be going to Parc Lane on the 16<sup>th</sup> February to take part in their prom / valentine get together. All students will be attending.

## ***Birthdays***

We have had two recent birthdays in the Leavers, Meurig and Jonathan who both turned 18.

Lots of students and all the staff in the Leavers attended Jonathan's party on Saturday and had a wonderful time! Everyone enjoyed the disco and especially the magician. Thank you for your invite Jonathan.
