

TAKEFAT **and party!**

It all started about 4 years ago. There was a competition at a local rugby club in Ynysybwl, Pontypridd, called 'Stars in your eyes' a group of local boy's thought it would be great fun to enter the competition and were discussing what song to sing, when on the jukebox, a 'Take That' song began to play, so they decided that they would perform as 'Take That' but call themselves 'TAKE FAT' instead. The line up consists of:

Dean (Deano) Lloyd

Stewart (Sam) Lloyd

Martin (Quila) Phillips

Barry (Buff) Williams

Hugh (Chuss) Rowlands

Obviously the boy's won the competition, that night, someone who was in the audience asked the boy's if they could help with a charity show, they all agreed to participate and from then on there was no stopping them. The amount of charity work that the boy's have done is enormous, for all types of thing.

A request was made by Laura who visited Ysgol Ty Coch that the boys perform a charity show in aid of the school, the boys agreed. The charity show was held at The Roberttown Hotel where Laura works and it was a great success also on the bill that night was the, also very talented:

Anthony (Muppet) Howells Paul(Hatchy) Hatch

Kelly Price, Megan and Heather

The pupils and staff of Ysgol Ty Coch would like to thank TAKEFAT and all the other performers that night for being the STARS in our eyes.

THANK YOU
