19<sup>th</sup> May 2011

Dear Parents/Guardians

We have been informed of a serious incident in Talbot Green on Monday 16<sup>th</sup> May 2011 at around 4.30pm.

According to the report received three primary school pupils were approached by two men in a silver car with tinted windows and a roof rack and asked if they wanted a lift home. This car was parked by Barclays Bank, Talbot Green. Fortunately the children in question refused to get in the car and they were able to give the Police a good description of the men involved.

We would be grateful if you discuss the dangers of talking to strangers with your child/children. We will also be reminding all pupils of the importance of not talking to strangers.

Thank you

Mrs Heather Hodges
