

# Green News

Environmental news from Ysgol Tŷ Coch

Bringing you the latest environmental news from our school.

## Welsh Fair Trade School of the month

Ysgol Ty Coch won Welsh Fair Trade School of the month. The Leavers / Post 16 department have been promoting Fair Trade in a number of innovative and exciting ways, for example promoting Fair Trade in the school hair salon to members of the school and wider community and using Fair Trade products in the enterprise cafe. All of the students have been very enthusiastic and look forward to gaining Fair Trade school status.

## Ugandan Visit

We had a visitor from Uganda. He was a head teacher of a school in Mbale. His name was James. He spent two days in our school. He told us about how global warming affects his country such as mud slides and flooding. We thank James for coming to our school. We are all looking forward to hear from him soon.

## Recycling

We have all been busy recycling throughout the whole of the school. Each class now has a recycling boxes to put plastic and paper in. Keep up the recycling guys!

## Rainforest Visit

We also had a visit from a Gentleman, who came to speak to us about different aspects of the rainforest.

He also brought a lot of creepy – crawlies!!!
