

Live Musicians

We were fortunate enough to have Live Music Now visit the school on 22nd January 2011. The Lunar Sax Quartet came from London to play for us. Some of us were lucky enough to conduct the playing!

In January and in March we were invited to take a group of students to the Millennium Centre to listen to the BBC Orchestra of Wales perform some special concerts. The students joined in with orchestra and the concert was filmed. We look forward to seeing ourselves on video in the near future!
