

CCTV Use in Our School

At **Ysgol Ty Coch**, the safety and security of our pupils, staff, and visitors is our top priority. To help maintain a secure environment, **Closed Circuit Television (CCTV)** is in operation across the school premises.

Why do we use CCTV?

- To ensure the safety and wellbeing of everyone on site.
- To protect school property and prevent vandalism or theft.
- To monitor and manage access to the school grounds.

GDPR Compliance

- CCTV is operated in line with the **UK General Data Protection Regulation (UK GDPR)** and the **Data Protection Act 2018**.
- Images and recordings are considered personal data and are processed lawfully, fairly, and transparently.
- Footage is stored securely and only accessed by authorised personnel for legitimate purposes.
- Recordings are retained for a limited period and then securely deleted unless required for an investigation.

Further information can be found in the CCTV policy.
