

Pancake song

Pop a little pancake into the pan.

Pop a little pancake into the pan.

It's for my dinner today.

Toss a little pancake out of the pan.

Toss a little pancake out of the pan.

It's for my dinner today.

Squeeze a little lemon, squeeze, and squeeze.

Squeeze a little lemon, squeeze, and squeeze.

It's for my dinner today.

Shake a little sugar, shake and shake.

Shake a little sugar, shake and shake.
